ITEM 2 (CONT'D)

The Navy Member (Captain Showers) felt that actual results might well be available for study by the end of February 1962, if targets continued to be available.

It was agreed that only time will tell which of the views is correct.

The Secretariat was requested to circulate the revised package at an early date since the subject would be discussed by USIB on 7 February 1962.

It was noted that the Army Member reserved his position on one aspect of Annex G.

Mr. Polyzoides, speaking for both Committees expressed appreciation for the excellent work done by [REDACTED] Ad Hoc Working Group in preparing the original draft of the [REDACTED] "package" and by the Secretariat for its work in connection with subsequent revisions.
